

With one harmonized voice, we would like
to wish you all a Merry Christmas and a
wonderful New Year.

SACREEE
**SADC CENTRE FOR RENEWABLE
ENERGY & ENERGY EFFICIENCY**

We are grateful to our Partners, Members, Stakeholders for the fruitful cooperation in 2021 and looking forward to 2022, which will probably be full of opportunities and challenges that we will welcome together.

Our objective at SACREEE remains the same: to place SACREEE as a centre of excellence in promoting Renewable Energy and Energy Efficiency to address energy access and energy security in the SADC region. To achieve this objective in this increasingly changing and challenging world, all stakeholders need to combine efforts and remain focussed on leaving no-one behind in sustainable energy progression. We sincerely hope that you will continue to extend your support to us in the next years to come.

Merry Christmas and a Happy New Year to all of you.

From the SACREEE Board, Management and Staff
